Sermon Text Reflection - Ash Wednesday:

1. As you begin this Lenten journey, whom do you remember? Who has walked with you when you have reached your limits and helped you get through that difficult season?
2. Why do we need to be reminded of our finitude, our dustiness? How does God work within and through our limits?
3. When you encounter dust this week, as you walk, in the wind, or on the side of the road, remember that you are dust, given life and breath by God, and give thanks for the day, the hour, the moment.
